Hi,

I am concerned about the proposed clear cutting near Kubota Gardens. We need more rather than fewer trees in Seattle to keep our air clean, temperatures balanced, and rains from running off into Puget Sound too fast.

Thank you for allowing public comment on Project 3018093 at 9666 51st Ave S. With at least 50 requests to PRC@seattle.gov, please hold a public meeting to review the environmental and land-use issues of the proposed clear-cutting of a large wooded lot bordering Kubota Gardens.

Best,

Reingard Rieger
